

# Report Cards To Be Issued

Parents of more than 24,000 Torrance elementary school students will attend conferences with their children's teachers in the next two weeks.

Discussions of students' progress to date will take place after school beginning Monday, Nov. 1, and continuing through Nov. 29. Report cards will be issued during this period.

Report cards for high school students for the first quarter will be mailed to their parents during the week of Nov. 14.

Individual conferences for parents of elementary school students are held twice each year, according to Dr. Albert Posner, assistant superintendent of education. Conferences give parents and teachers an opportunity to discuss grades, study habits, and other aspects of school.

More than 20,000 parents participated in conferences last year.

In addition to individual conferences, group conferences are held at the beginning of the school year at both elementary and high school levels.

Dr. Posner said teachers are ready to schedule additional conferences on request throughout the year.

## Spartans Speak

By Terry Dorn

Tomorrow night when South played by Bob Atha. Jacque High meets Hawthorne High on the Spartan football field there will be another spectacular Boys' League event. At 7:30, before the game, they will present the annual Boys' League Wacky Olympics.

Last year it was a great success, but this year they're going to try to outdo themselves. There will be tricycle races, wheel races, wagon races, and pie eating contests. Before the Wacky Olympics commence, a Spartan Torch Bearer will run around the track. Come on out and watch the fun!

After the game there will be a dance sponsored by the senior class. We are proud to note that this year we are able to have more dances and activities because the spirit and morale around the campus is extremely enthusiastic.

ON DEC. 3 and 4, the senior class will be presenting "The Glass Menagerie." This play, written by Tennessee Williams, is the story of four people in the south and the trials and tribulations of a very disturbed girl. Amanda will be played by Karen Rasmussen and Tom will be

played by Bob Atha. Jacque Broom is Laura and Mike Lewis assumes the role of Jim. The Girls' League Girls of the Month are Trudy Fitzpatrick and Suzy Levanas. Trudy is Girls' League President and was on the top 15 for Homecoming Queen. Suzy is the treasurer of the junior class and prom chairman. She is also vice president of the drill team.

DEC 9 IS THE big date coming up! Girls' League will be having the Winter Formal. Now is a good time to approach your favorite girl and say, "Uh gee whiz, would you go to the formal with me?"

Mike Levanas, the A. P. S. exchange student who visited Thailand last summer, has been giving talks to various organizations around town. He comes complete with slides of his trip, judo demonstrations, and Thai costume. Mike is also Boys' League President and is very active in school affairs.

Because of the seniors 100 per cent participation in the PTA membership drive, they will be treated with a movie during school. Good show seniors!

THE JUNIOR-Senior Prom site has been chosen. It will be the Hacienda Hotel near the International Airport. It's a long way off, but we're all looking forward to it.

Now is the time for all good seniors to think seriously about their plans for college. There are many deadlines to meet in the future, so seniors, get a move on!

Seniors Win Annual Drive North High's senior class has won the school annual PTA membership drive by signing up 79 per cent of the eligible parents. The class will see short films on surfing, skiing, and other sports. Freshmen were in second place with 63 per cent and sophomores signed up 57 per cent to win third place. The juniors signed up only 45 per cent of their parents.

Herres served as publicity chairman for the Riviera Lodge in 1961-62 and was elected junior governor in 1963. He was elevated to the governor's chair the following year and is now serving as past governor and a trustee.

In addition to his work for the Moose Lodge, Herres has been active on the Sister City Committee in Redondo Beach, the Southland Water Committee, and the Riviera Village Association.

## Homecoming Queen Sees Saxons Win

Miss Diane Griffin has been elected homecoming queen at North High School. She was crowned during halftime ceremonies at the North-South football game Friday. Members of Miss Griffin's court included Susan Alexander, Pam Felderman, Cindy Schmidt, and Barbara Stutler. Elizabeth McChery, an exchange student from Scotland, was named an honorary princess. Last year's queen, Jackie Wegelin, crowned her successor. Queen Diane was awarded the title following an all-school election.
